Other Services Offered

Recycling Express' main focus is on recycling, therefore we are able to purchase cardboard. We are able to purchase any amount of cardboard but pay by the ton.

We are able to accept the following items for recycling:

- **Paper** (including important documents; NAID certified)
- **Newspapers**
- **Books**
- **Cardboard**
- **Plastics**
- **Glass**

Recycling Express knows that our customer's privacy is important and have installed a state of the art security system. In addition to our security system we have achieved certification from NAID; The National Association for Information Destruction. The NAID Certification Program establishes standards for a secure destruction process including such areas as operational security, employee hiring and screening, the destruction process, responsible disposal and insurance.
